**NOTICE REGARDING eRECORDING IMPLEMENTATION**

The Arlington Circuit Court Land Records Office will begin accepting documents via electronic recording (“eRecording”) effective August 5, 2015. We are excited about the implementation of eRecording, which bring a number of benefits to our land records customers.

We currently are accepting submissions from the following national eRecording companies: (1) Simplifile, LC, (2) eRecording Partners Network, LLC, and (3) Corporation Service Company. We are open to accepting eRecordings from any company that (1) meets the technical specifications required by our land records management system, and (2) signs our form Memorandum of Understanding.

If you have any questions about the implementation of eRecording, please contact our office at 703-228-4369.
